Request to Opt-Out of Membership List Authorization Form

California Civil Code Section 5220 states that a member of the association may opt-out of the sharing of his or her name, property address, and mailing address by notifying the association in writing that he/she prefers to be contacted via the alternative process described in subdivision (c) of the Section 8330 of the Corporations Code.

California Corporation Code Section 8330 (c) allows the corporation to request in writing an alternative method of achieving the purpose identified in said demand without providing access to or copy of membership list.

Resident Information

This alternative process requires that a person authorized to request a membership list will instead provide the association with the item for distribution and the association will then mail the item to the owners who have elected to opt-out.
