FACILITIES:

Happy Holidays Towers Family!

May this beautiful holiday season fill your heart with love, your home with joy, and your life with laughter.

Thank you for always being kind and for all the support you give to help us as the **Towers Team** provide the best service to you, whether it is maintenance helping with your AC, custodians keeping the facility clean, housekeeping working hard to make your home shine, administration office assisting with the activity programs and so much more, or the reception desk team helping with your day to day needs. Thank you for being the best residents!

Blessings! – Renee 😊

MAINTENANCE:

We had a couple of leaks on the 59 series this week. After further investigating we discovered that it was the storm drain for this series that caused the leak. The storm drain clean-out cap had come off due to the drainpipe being blocked, which then caused the pressure to blow off the cap.

Maintenance cleared blockage in the line and capped off drain. The 59 series is dry once again!

Thank you, Maury and Team

HOUSEKEEPING:

A friendly reminder for all residents, if you can please be kind and courteous to your neighbors on your scheduled laundry day and follow the laundry guidelines. Thank you – Freddy and Team

DINING SERVICES:

A separate memo will be coming to your door from dining services.

Wishing all a Happy Hannukah, on behalf of the Sodexo and PMP staff, **Lisa**

KUDOS

Kudos to **Yvonne Castro** and team for their amazing hard work during this busy holiday season! The decorations are beautiful, and each event has been a success. Thank you!!
