NEW YEARS EVE SURVEY: We recently distributed a survey to request your feedback on our New Year's Eve party. OPTION C referred to our Vegas Knights casino party that we have had in the past however if you are a new resident, you may not be familiar with this. This is an outside company that we book to set up and run like a casino, from 6-9pm. The dining services team provides an upscale dinner prior. Champagne toast at 9pm. Any further questions, please contact Judy or Yvonne in the Activities department.

MAINTENANCE:

These last couple of weeks with this rainy weather has been rough on the maintenance department from leaks to storm drainpipe repairs and tackling the main sewer line pipe replacement. Working several hours of OT, heads down, grinding, no complaining and getting the jobs done. We have a great, thorough, and professional Maintenance team who always have a great attitude with a smile through it all, day in and day out.
Thank you, Freddy, and Maintenance Team

HOUSEKEEPING:

Friendly notice to any new resident, if you have any questions regarding your cleaning schedule, laundry schedules or any facility utility room or equipment please feel free to reach out to Kevin Saavedra the Facilities Service Manager @ 949-434-5622.

Thank you, Kevin, and housekeeping team.

FACILITIES:

Updates:

- **Landscape Committee** – We completed a partial irrigation walk-through on 2/16/2024, and we found a few sprinklers in need of repair. Also, due to the rain Controller B had no power so we were unable to complete the irrigation check. Maury, our Maintenance Foreman, and the team were able to repair the outlet.
- **Orchid Volunteer** – We need a volunteer to help care for the Orchids if you are interested, please call Renee at 949-434-5617. (See photo below of Orchids).

CR&R Updates:

- **Tunnel 1 & 2 Trash Bins:** both trash bins have been swapped for a power wash cleaning and refurbishment. This is done twice a year to avoid foul odor, gnats, etc.
- **Trash Bins:** During a recent CR&R route review, it was observed that there was contamination in the trash bins. Please refer to the flyer on the wall in the refuse room for guidance on **What Goes Where?**
- **Recycling Bins:** Place all paper, cardboard, and plastic containers; (do not throw these items down the chute) please place them in the blue recycling bins. (Towers Aide will empty them into the large recycling dumpster out by Tower 1 for CR&R to pick up.
- **Please DO NOT** throw food waste in the dumpster. (if you have food waste to dispose of we will need to place it in the Organics Green Recycling dumpster in a clear plastic bag located on the Sodexo loading dock. (Please call Renee if you need help or have questions).

Services:

- **Flip Mattress** – please call Renee to set up an appointment if you'd like your mattress flipped.

Have a wonderful weekend! Thank you, Renee, and Team! 😊

DINING SERVICES:

Thank you to all that contributed and suggested names for our two new robots! We would like to introduce Ricky & Lucy to the team! 😊

We will be holding Focus Groups to show a 30-minute video about how you will order meals starting March 16. After the video, we will answer all your questions. The Focus Groups will be held in the Key Club on Wednesdays and Thursdays at 1:00 pm starting February 28th for up to 20 residents each time. Please sign up at the reception desk. Caregivers and Family are welcome to attend!

Thank You, Dining Services team.
