

Good afternoon, Towers Family,  
April 5th, 2024

## ADMINISTRATION:

### Tower 2 Elevator

As we all know that elevator car "A" is down and will continue to be down for approximately 24 weeks. During this time elevator car "A" will be completely refurbished with all new motors and components. Then elevator car "B" will be down for approximately 16 weeks for modernization, this will take us into January 2025. To summarize Tower 2 will have one elevator down until the beginning of January 2025. At that time, we will start the process on Tower 1 elevators.

Thank you, Michael Turner, General Manager and Marshall Crawford, Assistant General Manager

## **DINING SERVICES:**

Dear Residents:

Hope you all had a wonderful Easter Weekend. There are a couple of price adjustments to the Latitude 50 menu. Going forward the menu price for the Trout will be \$11.00 (That is a \$3.00 decrease from the current price). The price for the Chopped Steak will be \$12.00 (That is a \$2.00 decrease from the current price).

When ordering room service from the Crystal Dining Room Menu, Wednesday through Saturday. The 2-drinks that are included when dining in are not included when ordering Room Service. You may add drinks to your room service order at additional charge of \$2.00 per can. This is due to when dining in the drinks come from the fountain and the drinks for room service are canned drinks.

Thank you,

Dining Services.
