MAINTENANCE:

Friendly reminder, any maintenance calls or maintenance emergency please contact the reception desk and place a work order. Do not try to place a work order with a staff member when you see them in the common areas as they are busy with other tasks and may forget what you asked. This is why we have a task system through the front desk. Thank you, Freddy, and Maintenance Team.

HOUSEKEEPING:

Contact Kevin Saavedra @949-434-5622 for any questions regarding housekeeping schedules, laundry schedules or to set up a yearly deep cleaning appointment.

OPERATIONS:

Update:

- Atrium Windows – were cleaned on 5/7/2024. Gabe did an awesome job, now the Atrium shows well with clear clean windows.

Kudos:

- Gabe has received many kudos from residents for the great job he does cleaning the windows inside your home. Most of you know we are in the process of hiring a 3rd custodian, Gabe and Rafael are doing an exceptional job of taking care of the interior and exterior of our building. It is a big job and the two custodians do it well and we are lucky to have a hardworking team. When you see Gabe and Rafael congratulate them on a job well done!

Red Zone:

- Please remind your vendors, family, guests, caregivers, etc. not to stop and drop off or pick up in the RED ZONE at the front of the building. We recommend they use the tunnel for all drop-offs and pick-ups.

Deliveries:

- FedEx, UPS, and other vendors can park in the yellow zone in the tunnels, there are signs all around the building for guidance. We thank you in advance for helping to relay this information to your vendors and guests.

Happy Mother's Day to all the mothers of The Towers! Enjoy your weekend and thanks for being great!! – Renee and Team. 😊
