2. Pet owners, when leaving their residence with their pet, are to proceed to the elevator and exit the building by the nearest exit door.
3. Pet owners shall not allow their pets to obstruct or interfere with the rights of other residents, guests or visitors, or annoy them by unreasonable noises at any time.
4. Pet owners are NOT to bring their pets into any of the central common areas including the dining rooms, lounges, front desk and mailbox areas. This rule is for the safety of all residents in order to prevent trip hazards.

We now have table sensors for the Latitude 50 dining room, these sensors will allow the servers to know where residents are seated.
